TEAM

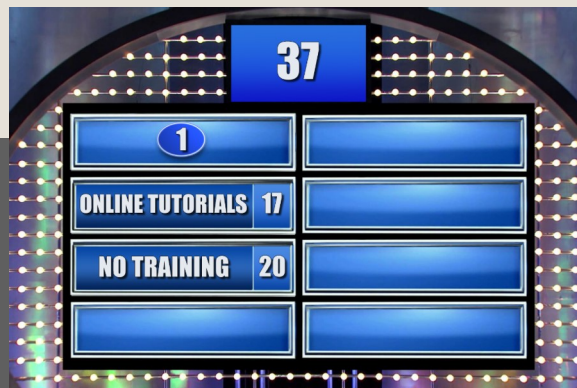

BUILDING

Real Human Connection.

Despite the fact that traditional corporate teambuilding typically gets a bad rap, teambuilding is the most important investment a company can make for its people. It incites new communication and collaboration, breaks down hierarchical structures, and builds mutual trust amongst guests. Employees from different departments who don't usually cross lines may find themselves chatting each other up thus creating a bond that otherwise probably wouldn't have happened. Whether guests are engaging in a cooking challenge or assembling care packages for a local charity, the most successful and memorable days are the ones the don't feel like a normal day at the office. Working together towards a common goal allows bonding to happen more organically and far more effectively.

**THEMES & ENTERTAINMENT TO FIT ANY
GROUP SIZE AND BUDGET.**

THEME CONCEPTS

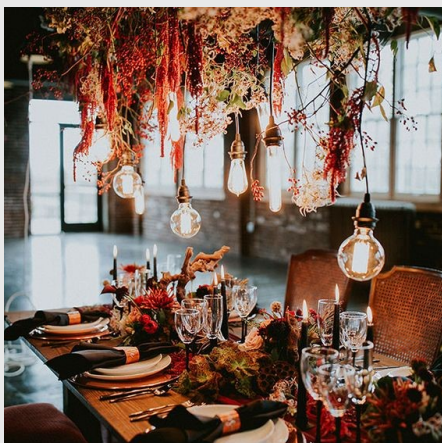

TENNESSEE WHISKEY

Nashville has come a long way since the days of Elvis Presley and Willie Nelson, but some things will never change: Music City's love of bourbon and talented "up and coming" performers. Marquee signage and strung lighting throughout the event feel just like a rooftop space on Broadway. Barrel and wood and metal cocktail tables are the perfect blend of old and new. Shades of blue linen paired with textured taupe are reminiscent of the rolling hills of Tennessee on a summer evening. Sample some of the state's best bourbon and moonshine alongside and expert, or try out unique varieties of jerky (ever had alligator before?).

RING OF FIRE

Johnny Cash said it best! Tonight, this fire-y look plays off of bright lights, intertwining hues of gold, black, and red for a bold and memorable concept. For an impactful statement - we love pairing Edison bulbs with textured, dramatic linens and floral touches. This look can be elevated or downplayed - working well for both Receptions and Awards Dinners alike.

SPIRIT OF MUSIC CITY

Before stars like Carrie Underwood, Brad Paisley, Sam Hunt, and Little Big Town, there was Elvis Presley, Johnny Cash, Dolly Parton and more. This evening plays tribute to the spirit and heritage of what made Nashville "Music City." The event encapsulates classic style, with touches of vintage glamour. Guests will walk the red carpet beneath oversized marquee stars. Tables are adorned with glitzy black and gold linen complete with a vinyl record charger. The stage features a gold swag backdrop with hanging records or oversized acrylic stars.

HONKY TONK HIGHWAY

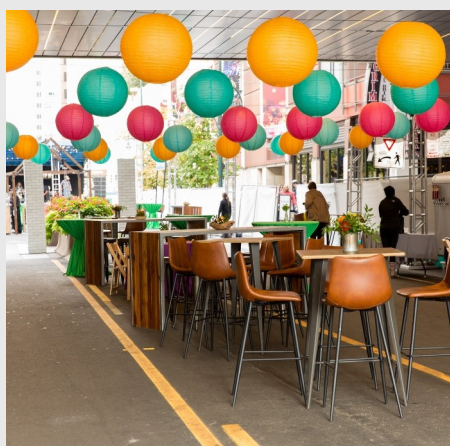

Bringing Broadway to you, this look showcases our city's most popular street. Here, neon signage and bright and energy of our state's bustling downtown playground to life pop up stages featuring local singers and songwriters. Guests can grab a drink at brightly lit central bar or grab a snack off buffet tables made from guitars (you can't get more Nashville than that!)

THEME CONCEPTS

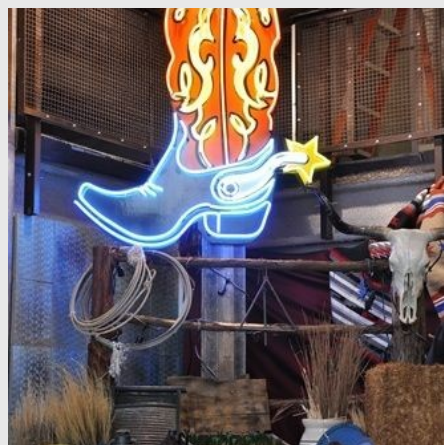

COUNTRY MUSIC FESTIVAL

Bringing Nashville's most popular event to you - our CMF theme will transport guests to a popular music festival with the fusion of fun décor and entertainment. Oversized signage, pop up stages, and food trucks help create the feeling of being immersed in Country Music Festival. Don't forget the to include the foundations of a good festival: good food, good music, and good beer - or perhaps Whiskey!

URBAN COWBOY

"Well I saddled up my horse and I ride into the city". This theme brings the rugged Cowboy feel of the south and fuses it with the Urban sophistication of a big city. Tables are topped with gorgeous leather linens set in front of oversized murals. Hay bale accents and barrel tables dot the perimeter of the space - topped with elegant yet subtle floral touches. Top off the theme with line dance lessons, a mechanical bull, or a trick roping performance!

SUGGESTED FOR | ONSITE & OFFSITE

DOWN HOME TENNESSEE

This event captures the quintessential experience of being deep in the rolling hills of beautiful Tennessee. Rustic wood tones are paired with bright linens and seasonal florals. Adirondack chairs positioned near a firepit recreate the feeling of settling in after a long day in the country. Take it all in as you sip on some of our famed moonshine, grab a southern biscuit from a mobile camper van, or listen to the soothing sounds of a local Bluegrass band.

SOUTHERN CHARM

Southerners are known for having charisma and poise - no matter the circumstances - and the same goes for their parties! Guests will step into a bright and airy vibe, surrounded by shades of blue, gray, silver and touches of greenery. Wooden accents such as, dining chairs, reclaimed wood walls, and a central 4-sided wooden bar add a hint of rustic sophistication. Chic lounge vignettes serve as an eye-catching yet functional décor element.
